eACLS ANYWHERE & ANYTIME • Online Course With Skills Check Off!

Easy and convenient online courses for the busy professional! No lengthy courses to attend!

- Complete the case studies.
- Take the final written exam
- Contact Citywide for Skills Check Off.

eACLS™ is a customized course for pre-hospital and hospital professionals.

10 interactive case studies focusing on serious respiratory and cardiac emergencies.

A resource section is available for review at any time during the course.

Upon successful completion of both, you will receive certification and continuing ed hrs.

Please consult www.eacls.com or contact Citywide at 1-866-757-5453 for answers to any questions.

ACLS RENEWAL • 1-DAY COURSE!

For professionals with a non-expired ACLS card and a current Healthcare Provider card

Review and practice the ACLS skills learned in the 2-day provider course. Textbook not included.

Receive training in effective team behaviors and have the opportunity to practice as a team member and leader.

Participate in a megacode testing station and simulated cardiac arrest scenario. Demonstrate your knowledge of airway management, algorithms, arrhythmia interpretation and use of appropriate basic drug therapy.

Please consult www.eacls.com or contact Citywide at 1-866-757-5453 for answers to any questions.

ACLS • 2-DAY COURSE!

Are you new to ACLS?

Has your ACLS card expired?

Enhance your skills in the treatment of the adult victim of a cardiac arrest or other cardiopulmonary emergencies.

Recognize the importance of basic life support CPR to patient survival; the integration of effective basic life support with advanced cardiovascular life support interventions; and the importance of effective team interaction and communication during resuscitation. Textbook included! Participate in simulated clinical scenarios individually, as part of a team, and as team leader! *Dates are shown above in our 2009 Course Calendar.

Please consult www.eacls.com or contact Citywide at 1-866-757-5453 for answers to any questions.
